in tribal belts, border regions, and urban slums. Vidya Bharti considers education as a mission for awakening the nation. ### A Coordination of Values, Vision and Technology

Vidya Bharti's uniqueness lies in its integration of values with modern educational vision. In an era of rapidly changing technologies, Vidya Bharti ensures that AI, Robot, Coding and various digital tools are introduced responsibly, with an emphasis on ethical thinking and character building. Our schools are adopting AI-enabled learning platforms, digital classrooms, and are aligned with the National Education Policy (NEP) 2020. Currently, around 507 Vidya Bharti schools have Atal Tinkering Labs (ATL) for hands on learning in AI and other emerging technologies. However, this progress is never at the cost of our traditional knowledge. While global benchmarks in STEM and innovation are being pursued, the moral compass is set by Bharatiya Darshan (Indian philosophy). Students participate equally in Yoga, Sanskrit recitation, cultural training, and value education. Vidya Bharti prepares students not only to compete globally but also to serve society with responsibility, rootedness and integrity.

### Values, Education and Skills: The Path of Vidya Bharti

## **Institutional Overview**

### **A Journey of Growth and Glory**

The foundation of our institution was laid on 19 November 1946, inspired by the vision and guidance of Madhavrao Sadashivrao Golwalkar (Shri Guruji). From its very inception, the institution has been blessed with dedicated leadership, noble ideals, and a commitment to holistic education. In its early years, the school operated under modest conditions, with the first classes held at Kali Kamli Ashram. Later, a generous piece of land was donated by eminent social workers of Kurukshetra city, including Danveer Lala Madho Ram Ji, Lala Inder Sen Ji, Lala Raghubar Dayal Ji, Lala Sadhu Ram Ji, marking the beginning of a new era of growth. Our first principal, Shri Khem Chand Ji, nurtured the institution with dedication and discipline. At that time, the student strength was around 250. From 1948 to 1964, the institution continued to progress under the guidance of Shri Laxman Dev Ji Kalra and Shri Vishwanath Ji. Their relentless efforts established strong academic and moral foundations for future generations. From 1964 to 1991, under the leadership of Shri Dinanath Ji Batra, the institution witnessed a phase of remarkable expansion and innovation. His unwavering commitment and visionary approach elevated the institution to new heights. From 1991 to 2001, Shri Ratan Chand Ji Sardana served as principal, maintaining the pace of development and introducing new academic initiatives. His exceptional services were recognized nationally on 26 January 1993, when he was honored for excellence in education. The years 2001 to 2013 marked another milestone under Shri Ram Prasad Swami Ji, whose spiritual guidance and administrative foresight brought further glory to the institution. His tenure was followed by Sh. Anil Kumar Ji (2013–2024). Today, our institution stands as a symbol of excellence in academics, sports, cultural activities, and moral education. Now under the guidance of Sh. Anil Kumar who brought modern educational practices and dynamic leadership to the for most. As we look toward the future, we remain committed to our founding ideals—discipline, service, and continuous growth—ensuring that the journey of this great institution continues with the same spirit of dedication and glory.
